Ages 0-3

Little Artists

Cover the board with light-blue paper and add a decorative border. Add the caption "Little Artists" to the top of the board. Cut out pictures of different art tools, such as scissors, paintbrushes, paints, pipettes, playdough tools, and crayons. As you explore art, take pictures of the children creating art and/or their finished work. Print the pictures and add them to the board throughout the month.

Ages 3-5

We Love the Arts!

Cover your bulletin board with light-colored paper and add a decorative border. Take photos of the children doing some of their favorite activities that involve the arts (creating projects, dancing, having a puppet show, etc.). Attach the photos to the board and add the title "We Love the Arts!"

Ages 3-5

We Love Earth

Cover your bulletin board with white paper. Add the title "We Love Earth." Draw a large circle on the board to represent Earth. Offer green and blue finger paints, and invite children to stamp their handprints all over the circle to look like planet Earth. Cut small heart shapes from red and pink paper to attach around the planet.
