Valentine Playdough

Ingredients:

- 2 1/2 cups flour
- 1 T. cream of tartar
- 2 pkgs. unsweetened red or pink powdered drink mix
- 1 cup salt
- 2 cups boiling water
- 3 T. cooking oil

Mix the dry ingredients. Add the oil to the boiling water and pour it into the dry ingredients. Stir quickly, mixing well. As the dough cools, knead it until smooth. This dough is brightly colored and wonderfully scented for sensory play. Remind children that it is not for eating. For added interest, mix in some sparkly glitter. Add heart-shaped cookie cutters to reinforce the shape of the month. Store the dough in the refrigerator in an airtight container.

Caution: Supervise closely while cooking. Do not allow children near the stove.
