# Autumn Means Harvest

by Lenore Hetrick

Autumn means harvest,  
And grain in the bin.

Autumn means farmers  
Are bringing fruit in.

It means summer's blooming  
Has given its yield.

Autumn means high tide  
In orchard and field.

Sharing a toy with a friend.

Placing your shoes in the shoe tray/cubby.

Washing your hands before eating.

Jumping on the furniture.

Holding the door for your friend.

Laughing at a friend when he falls down.

Saying "You can't play with me/us."

Running down the hallway instead of walking.

Holding an adult's hand when walking across the street.

Placing a book back on a bookshelf after you are done reading it.

Saying "This food is yucky" when tasting something you don't care for.

Waiting for your turn for the swings.

Slamming doors when you are angry.

Giving a hug to someone who is sad.

Hitting someone when you are mad.

Asking someone, "Can I play too?"

Crying when you don't win a game.

Telling a friend you like her new haircut.

Washing your hands after going potty.

Saying unkind words to get attention.

Refusing to talk when someone asks you a question.

Asking for help when you have trouble with a task.

Asking, "How can I help you?"

Screaming when you are frustrated.
