## People Who Help

Cover the bulletin board with orange paper and add a green or black border. Cut out the letters for the caption and display as shown. Invite families to help you collect pictures of familiar helpers in the community. Families may bring in photos of their own doctors, postal carriers, or family members. They may also cut pictures from newspapers, magazines, or brochures. Display the pictures on the board. Include pictures of staff members or any other familiar helpers.

Ages 3-5

## We Appreciate Community Helpers!

Cover your bulletin board with light-colored paper and add a decorative border, if desired. Add the title "We Appreciate Community Helpers!" Ask children to think of several types of community helpers. Search for images online to represent each suggestion, and print the pictures. Attach them to the board under the title.

Ages 3-5

## Welcome to Our Wacky Web

Cover your bulletin board with orange or black paper. Add the title "Welcome to Our Wacky Web" to the top of the board. Place push pins in various places on the board. Weave white yarn around the push pins, crisscrossing in several places to create a web. Cut photos of the children and attach them to various places on the web.
